

BE YOURSELF

# BE ORIGINAL

LF.CO/SUMMER

LightForce celebrates what it means to be unique. That is why we have developed the 'Be Original' Campaign. This campaign is designed to show-off what makes you different and encourages you to; be fierce, be bold, be brave, be different, be whatever you set your mind to. By simply being you, you have a chance to win a \$5,000 charitable donation to a charity of your choice. Just for posting and using our hashtag #BeOriginalLF, we are going to send you a free 3D printed tooth necklace!

Entering the contest is easy. Just post a creative selfie, photo, TikTok, Reel, etc. on TikTok or Instagram and use the hashtag #BeOriginalLF. The winner will be chosen based on the creativity and uniqueness of your post. Examples are a fun dance, doing a trend, selfie with a cool background, showing your hobby, or a mastered skill. We can't wait to see you 'Be Original'.
